SUMMARY

Civil-service planner with eight years in local government, drafting development plans and infrastructure budgets for a city of 1.4 million. I link spatial data to budget decisions and run consultations residents attend.

EXPERIENCE

Badan Perencanaan Kota Arunika — Arunika City
Development Planner (Junior Expert) — Apr 2022 – Present

- Coordinate infrastructure chapters of the 2025–2029 medium-term plan (RPJMD) across 9 city departments.
- Built a GIS dashboard of 1,850 road, drainage and water proposals, used in every budget review since 2023.
- Raised the share of priority projects funded in the annual plan (RKPD) from 54% to 81% in two cycles.

Badan Perencanaan Kota Arunika — Arunika City
Development Planner (Entry Expert) — Mar 2018 – Mar 2022

- Facilitated district development consultations (musrenbang) in 12 sub-districts, about 3,000 residents a year.

PT Tata Ruang Mandala — Bandung
Junior Planner — Sep 2013 – Feb 2018

EDUCATION

Institut Teknologi Bandung — Master of Engineering • GPA 3.81
