Summary

Statistics graduate and junior data analyst with 18 months of hands-on work in quick commerce, insurance and survey research. I write clean SQL, build dashboards teams open every week and check each number before it reaches a slide. I am now growing into experimentation and forecasting.

Experience

Segar Kilat — Jakarta (hybrid)
Junior Data Analyst — Jun 2025 – Present

- Built a daily stock-out dashboard in Looker Studio for 62 dark stores; lost sales fell by 11% in two quarters.
