SUMMARY

Credit risk manager with fourteen years in regional, commercial and rural banking. I run credit risk for a development bank with an IDR 9.8 trillion loan book, from scorecards and limits to the reports the board and regulators read. My aim: keep lending to small businesses and civil servants growing while bad loans stay low.

EXPERIENCE

Bank Pembangunan Daerah Swarna Andalas — Padang
Credit Risk Manager — Jun 2021 – Present

- Lead a team of 8 analysts overseeing an IDR 9.8 trillion portfolio across 46 branches.
- Brought gross NPL down from 4.1% to 2.6% in three years with an early-warning watchlist and tighter SME limits.
- Built the bank's first application scorecard for payroll loans; approval time fell from five days to one.

PT Bank Saka Niaga — Pekanbaru
Senior Credit Analyst, SME — Mar 2016 – May 2021

- Reviewed 600+ SME and commercial loan proposals worth IDR 2.4 trillion; 94% of my recommendations were upheld by the credit committee.
- Restructured 180 pandemic-hit loans; 86% were back to current within a year.

PT BPR Rangkiang Nagari — Bukittinggi
Credit Officer — Aug 2012 – Feb 2016

- Managed 350 micro and farm loans; kept arrears under 2% for three years running.
