Summary

Social media and community specialist with three years growing lifestyle brands in Yogyakarta. I plan content people save and share, run the community behind it, from WhatsApp groups to monthly meet-ups, and read the numbers to see what works. At Laku Lampah I grew a community of 38,000 members who now drive a quarter of online sales.

Experience

Laku Lampah — Yogyakarta
Social Media & Community Specialist — Feb 2025 – Present

- Run Instagram, TikTok and the community for a local sandal and bag label; followers grew from 64,000 to 210,000 in 18 months.
- Started Lampah Club, now 38,000 members who buy again 2.4 times as often as other customers.
- Partner with 120 micro-creators a year on a fixed IDR 300 million budget; cost per sale fell by 41%.

Griya Tenang Hospitality — Yogyakarta
Social Media Officer — Sep 2023 – Jan 2025

- Managed content for four boutique hotels; direct bookings from Instagram rose from 6% to 15%.
- Cut the average reply time to guest messages from three hours to 20 minutes.

Ronda Media — Yogyakarta
Content Intern — Feb 2023 – Jul 2023

- Wrote and edited 90 short videos on local food spots; one series passed 2 million views.

Education

Universitas Atma Jaya Yogyakarta — Bachelor of Communication • GPA 3.61
Communication Science, Public Relations — Yogyakarta • 2019 – 2023

Projects

“Slow Down, Jogja” city walks — 2025 – Present
Monthly walks with local guides for Lampah Club members; 1,600 people across 14 walks.

#LangkahLokal photo campaign — 2025
Customer photo challenge that collected 4,300 posts; the best ones became the year-end catalogue.
