Summary

Communication Science graduate ready for a first role in public relations or content. Two internships taught me to write press releases that editors actually run, plan social media calendars and read the numbers behind a post. Four years in campus media made me quick with deadlines, interviews and short video.

Education

Universitas Padjadjaran — Bachelor of Communication • GPA 3.72 / 4.00
Public Relations — Jatinangor • Aug 2022 – Sep 2026

Thesis: how city governments answer complaints on Instagram, a content analysis of 2,400 comments.

Experience

Gema Komunika — Jakarta (hybrid)
PR & Content Intern — Feb 2026 – Jun 2026

- Drafted 18 press releases for four FMCG and tourism clients; 12 were picked up by national online media.
- Built a weekly media-monitoring report covering 300+ articles, now used by the account team.
- Helped run a product launch for 120 guests and 35 journalists.

Sabana Trip — Bandung
Social Media Intern — Jul 2025 – Sep 2025

- Planned and wrote a three-month Instagram and TikTok calendar; followers grew from 8,000 to 21,000.
- Edited 30 short videos; one reel about a West Java waterfall reached 1.2 million views.

Campus Organisations

Pers Mahasiswa Dialektika — 2023 – 2026
Jatinangor

Editor-in-chief (2025): led 24 reporters, published 140 stories and grew the website to 45,000 monthly readers.
