SUMMARY

Art director and motion designer with nine years in design and advertising, building campaigns that move, from six-second bumpers to a 60-metre LED facade. I take an idea from first sketch to final render and direct animators, illustrators and 3D artists toward one bold visual voice. My work has reached more than 120 million viewers on TV, online and out of home.

EXPERIENCE

Pijar Lima Advertising — Jakarta
Art Director — Apr 2022 – Present

- Lead seven designers and animators on nine retainer brands in telco, banking and FMCG.
- Directed a Ramadan campaign for a mobile network, viewed 48 million times; brand recall rose by 22 points.
- Built a motion toolkit in After Effects and Cinema 4D; storyboard to final cut fell from 15 days to 9.

Gerak Visual Studio — Jakarta
Senior Motion Designer — Jan 2019 – Mar 2022

- Animated more than 140 TV and online spots for 30 clients, from explainers to title sequences.
- Set up the studio's 3D pipeline in Cinema 4D and Redshift, a new service worth 30% of revenue by 2021.

Rangka Media — Jakarta
Graphic Designer — Aug 2017 – Dec 2018

- Designed daily social graphics and short videos for a news site; Instagram followers grew from 80,000 to 410,000.

PROJECTS

"City Lights" LED facade — 2025
Two-minute 3D loop on a 60-metre facade in Sudirman for a bank's anniversary, seen by 2.3 million people a week.

"Moving Proverbs" type series — 2023
Personal series of 30 kinetic-type loops on Indonesian proverbs; 1.4 million views on Instagram and Vimeo.
