Summary

CFA charterholder with twelve years in infrastructure finance, now raising capital for the toll roads and ports of a state-owned developer. I have closed IDR 21 trillion of project loans, bonds and PPP deals, with models lenders trust and structures regulators approve. I work comfortably between banks, ministries and construction teams.

Experience

PT Bentang Infrastruktur Nusantara (Persero) — Jakarta
Project Finance Manager — Jan 2022 – Present

- Closed an IDR 9.8 trillion syndicated loan from seven banks for a 112 km toll road, priced 65 bps below budget.
- Structured the company's first green bond (IDR 3 trillion, 3.1× oversubscribed) to fund two port expansions.
- Lead five analysts; a standard model template cut lender review from four weeks to ten days.

Bank Pembangunan Kencana — Jakarta
Assistant Vice President, Infrastructure Finance — Mar 2017 – Dec 2021

- Arranged and monitored IDR 6.5 trillion of loans for toll roads, power plants and water projects, with no defaults.
- Led due diligence on 11 PPP bids, covering traffic, construction and land acquisition risk.

Saka Mitra Konsultan — Jakarta
Analyst, Transaction Advisory — Aug 2014 – Feb 2017

- Built financial models for 14 government infrastructure tenders, from feasibility study to financial close.
