Kinanti Prameswari

TEXTILE DESIGNER & BATIK RESEARCHER

kinanti.prameswari@email.com · +62 856 5551 3827 · Surakarta, Indonesia · kinanti.studio · @kinanti.wastra · behance.net/kinantiprameswari

Summary

Textile designer who brings natural-dye batik into contemporary collections. For ten years I have worked with batik makers in Solo, Lasem and Pekalongan, designing motifs and colourways for fashion and interior brands while documenting the techniques behind them. I also teach textile design and research plant dyes.

Experience

Wastra Laras Studio — Surakarta
Founder & Lead Textile Designer — Jun 2021 – Present

- Design four collections a year with 22 batik artisans; studio revenue has tripled since 2022.
- Developed a 14-colour natural-dye palette from mahogany, indigo and mango leaf that reaches wash-fastness grade 4.

Sekolah Desain Rupa Nusantara — Surakarta
Part-time Lecturer, Textile Design — Feb 2022 – Present

- Teach Batik Techniques and Surface Design to 60 students each semester.
- Lead a two-year study of 120 coastal batik motifs, funded with IDR 350 million.

Kain Rasa Indonesia — Jakarta
Textile Designer — Aug 2016 – May 2021

- Designed prints and batik for 11 ready-to-wear collections sold in 45 stores.

Projects

Lasem Motif Archive — 2024 – 2025
Photographed and catalogued 340 heirloom batik pieces with five Lasem families; the open online archive has had 18,000 visits.

“Earth Colours”, solo exhibition — 2023
Twenty natural-dye pieces shown for a month at Galeri Rupa Kemang; 12 bought by private collectors.

Education

Institut Teknologi Bandung — Master of Design
Textile Craft — Bandung • 2014 – 2016
Thesis: colour fastness of mangrove-bark dyes on cotton and silk.

Institut Seni Indonesia Surakarta — Bachelor of Arts • GPA 3.74
Textile Craft — Surakarta • 2010 – 2014
